

AMY LABELLE COACHING

Amy LaBelle offers a range of transformative coaching programs designed to empower entrepreneurs and businesses. With her local roots in New Hampshire and international recognition, Amy is ready to guide you on your journey to achieving your business goals.

Amy LaBelle

FOR START-UPS OR SOLOPRENEURS

Weekly Success Guidance *3 or 6 months*

Perfect for those solopreneurs and startups seeking regular guidance and support. This program offers weekly 45-minute calls via Zoom or phone to set goals, create a definitive plan for achieving them, and strategize solutions for current business challenges. With Amy's unique expertise, you'll never feel alone on your entrepreneurial journey.

Business Plan and Strategy Building *6 months*

This program focuses specifically on helping you develop a comprehensive business plan and strategy for your company. Through weekly 45-minute calls, Amy will provide valuable insights, guidance, and feedback to help you build a solid foundation for success.

Mastermind for Business Nourishment *6 months*

Experience a transformative journey with the Mastermind program. This six-month program includes once-monthly Friday sessions from 9 am to 12 pm. Enjoy a mid-morning healthy breakfast to nourish both your body and mind. Each session covers essential elements for business growth, including problem-solving, optimizing performance, overcoming obstacles, effective communication strategies, goal-setting, and motivating senior leadership teams. Walk away with a comprehensive plan to carry you through the next six months.

FOR ESTABLISHED BUSINESSES AND SMALL TEAMS

Goal Planning and Sales Training *One Day Workshop*

Designed for sales teams, this intensive one-day program offers valuable goal planning and sales training to maximize performance. Amy will share expert techniques and strategies to enhance your team's effectiveness and drive sales success.

Mission Statement and Guiding Principles *One Day Workshop*

Join this immersive one-day workshop to create a powerful mission statement and establish guiding principles for your business. Amy will guide you through a structured process to articulate your company's purpose and values, setting a strong foundation for future growth.

Senior Team Success *One Day Workshop*

Energize your senior team with this dynamic one-day workshop. Amy will help your team shift from a passive mindset to actively seeking success. Learn how to create a motivational goals structure that keeps everyone on track and focused on achieving the company's primary objectives.

TESTIMONIALS

Amy LaBelle is an amazing educator and person. Her experience and excellence shine through during this course. She is funny and relatable and everything comes across with a sense of beauty and humility.” - Suzie Rankins

Amy's extensive knowledge of all facets of business and her openness about her own experiences were invaluable. I will definitely participate in any future workshops Amy offers.

Amy is an invaluable resource to aspiring business owners, and has created a supportive and engaging environment where one could thrive in business planning.
